The Summer School and Workshop was conducted on 4th and 5th September, at Istanbul Commerce University which is located in Istanbul, Turkey.

This Summer School and Workshop was organized under the Smart Economic Planning and Industrial Policy (SEPIP) Program of the Center for Industrial Policy and Development in cooperation with the United Nations Conference on Trade and Development (UNCTAD) and sponsors such as the Turkish

Cooperation and Coordination Agency (TiKA). The main objective of this Summer School and Workshop was to provide an overview of the process of structural transformation and its linkages with development, and to equip participants with knowledge of the key policy instruments that could accelerate the gradual transformation of the economic structure.
