Important information

The research paper should be completed in one semester. Proposal presentation seminars are tentatively scheduled for Fridays from 9.00 am to 13.00 pm. The seminars will tentatively run continuously. Those planning to present should submit their proposals latest by Monday of the respective week to facilitate scheduling. Please note that to present, you must seek approval from your supervisors and forward the information to the MA coordinator. In addition, ensure that you have been examined and passed all the coursework units (12), have cleared all fees due and your registration status is active. Your supervisors must be in attendance for you to be allowed to present your proposal. Let us all respect the above deadlines.

D.O. Abala
Coordinator
